PSYCHOEDUCATION

Group Sessions

Each day you will be able to participate in a 1-hour group meeting where you gain insight into how addiction works, and its impact on various areas of your life.

These comprehensive groups will empower you to take charge of your recovery by providing you with practical techniques and skills that will help you identify and manage your thought patterns, behaviours, and triggers.

MIRACLES ASIA

INDIVIDUAL THERAPY SESSIONS

- *CBT*
- *DBT*
- *EMDR*
- *IFS*
- *Trauma Informed Therapy*

All clients receive 2 x 1-hour individual therapy sessions per week as part of their treatment.

These sessions are completely confidential & allow clients to openly discuss life experiences with addiction, along with how to move forward in a life that's free from drugs or alcohol.

RELAPSE PREVENTION

Achieve Long-Lasting Recovery Beyond Your Stay With Us In Phuket, Thailand

Your treatment includes 1-on-1 sessions with Client Support who guide you through creating a strong relapse prevention plan to help you identify risks and potential triggers related specifically to you and your environment.

This tailored relapse prevention plan plays a huge part ensuring that you remain free from drugs and alcohol when you return home.
